## FOR INTERNATIONAL USERS

**Convert to Background Layer** – this action is for our international users only. It translates the first layer (no matter the language) to the word “background” for our actions to function properly.

## ONE-CLICK FOUNDATIONS

**Nobody Puts Baby In A Corner {Mild Polish}** – brightens, adds contrast & gently pops the subject

**May The Force Be With You {Dark Drama}** – warms, pops color, increases contrast & brings focus to your subject

**There's No Crying In Baseball {Peachy}** – lifts shadows, recovers highlights, adds vibrance, desaturates blues & washes skin in a peachy tone

**If You Build It, He Will Come {Ghostly Matte}** – lifts shadows, recovers highlights, gently spotlights the subject & finishes the image with a light foggy matte

**So You're Tellin Me There's A Chance {Vivid}** – warms, pops color while maintaining the integrity in blues, brightens & lifts skin tones & gently defogs

**I'll Have What She's Having {Lively Light}** – warms, pops color, bumps highlights & brightens while maintaining contrast

**Keep The Change Ya Filthy Animal {Purify}** – adds dimension to your subject by popping highlights & deepening shadows

**My Name Is Inigo Montoya {Toasty Matte}** – brightens, warms & finishes the image with a bronze matte wash

**You Can't Handle The Truth {Dynamic Warm}** – warms, pops color, spotlights the subject & finishes with a gentle, earth tone vignette

# Cult Classics Actions

## ARTISTIC COLOR TONES

**Alright Alright Alright {Fresh Clean}** – adds depth & finishes with a gentle brown wash

**Bye Felicia {Colorful Clean}** – warms, adds a rich color pop & cools greens

**You're Killin' Me Smalls {Rich Clean}** – pops highlights, deepens shadows & gently saturates

**That Is So Fetch {Platinum Warmth}** – brightens subject, warms with white yellow & adds depth

**Bend & Snap {Blonde Warmth}** – brightens subject, warms with rich yellow & adds depth

**O'Doyle Rules {Ginger Warmth}** – brightens subject, warms with orange red & adds depth

**Yo Adrian {Spotlight Punch}** – warms, shifts tone curve right, adds vibrance & spotlights subject

**Truffle Shuffle {Soft Sunlight}** – pops highlights, deepens shadows & adds a creamy wash to skin

**Ugh, As If {Cali Heatwave}** – pops highlights, adds depth & vibrance & finishes with a bronze wash

**Stay Classy San Diego {Cali Haze}** – warms, lifts shadows & finishes with hazy gray wash

**Talk To Me Goose {Miramar Breeze}** – gently cools, adds depth & vibrance & sculpts highlights

**Who Ya Gonna Call? {Ecto Cooler}** – maintains skin warmth while finishing with a dark blue haze

**You're My Boy Blue {Twilight Chill}** – gently cools, mattes shadows & adds definition to subject

**Great Scott {Duel Darken}** – pops subject, lowers green dynamic range & adds soft gray-orange haze

**Go Ninja Go Ninja Go {Turtle Green}** – moderately cools greens, pops subject & adds a gentle matte

**Hasta La Vista Baby {Roasted Matte}** – warms, adds contrast & finishes with a deep earthy matte

**Rex Manning Day {Purpley Matte}** – maintains skin tones while finishing with vintage purple matte

**Rocky Loves Em-i-ly {Ruby Matte}** – adds depth, flattens greens & adds a deep ruby-brown matte

**Phone Home {Muted Desat}** – lifts midtones, adds vibrance & depth & adds deep muted ruby matte

**Big Mistake! Big! Huge! {Big Boost}** – lifts skin, warms greens & finishes with an earthy warmth

**Bueller? Bueller? {Bronze Contrast}** – pops subject from background & finishes with bronze warmth

**Rufio, Rufio, Ruf-e-o {Docile Dimmer}** – adds drama & depth to the background & pops subject

**The Dude Abides - {Foliage Depth}** – adds a bit of warmth to highlights & cyan to midtones

# Cult Classics Actions

## MOVABLE SUNLIGHTS

Ghost {Translucent Sheer} - a sheer, moveable light with a slight touch of warmth  
Betty White {Luminant Bright} - a light grayish orange to very soft orange gradient light  
GoldenEye {Lustrous Light} - a sheer very soft orange to very soft orange gradient light  
Goldie Hawn {Radiant Gradient} - a very soft orange to soft red gradient light  
Taxi Driver {Mellow Yellow} - a sheer bright yellow to very soft translucent gradient light  
Clockwork Orange {Soft Shine} - a sheer orange to very soft translucent gradient light  
Red Dawn {Coral Sunrise} - a coral-orange to very soft translucent gradient light  
Pretty In Pink {Balmy Blush} - a very soft red to very soft translucent gradient light  
Blues Brothers {Airy Afterglow} - a light grayish cyan to very soft blue gradient light

## TOOLKIT BRUSHES

Wax On {Vibrant Color} - paint on to add vibrance & saturation to desired areas of the image  
Wax Off {Muted Color} - paint on to decrease vibrance & saturation to desired areas of the image  
Party On Wayne {Add Light} - selectively adds a midtone boost to desired areas of the image  
Party Off Garth {Subdue Light} - paint on to darken desired midtones  
Here's Johnny {Shadow Slasher} - paint on to lift shadows in desired areas of the image  
They're Here {Haunted Highlights} - paint on to reduce brightness in desired highlight areas  
These Go To Eleven {Sun Enhance} - paint on to shift yellow highlights to a golden-orange tone  
Show Me The Money {Crisp Details} - paint on to selectively sharpen to enhance desired focus areas

# Cult Classics Actions

## OVERLY WARM SKIN FIXERS

**MOCK Yeah! {Yellow Cast}** - reduces the oversaturation of yellows in desired areas

**ING Yeah! {Orange Cast}** - reduces the oversaturation of oranges in desired areas

**BIRD Yeah! {Red Cast}** - reduces the oversaturation of reds in desired areas

**YEAH Yeah! {Magenta Cast}** - reduces the oversaturation of magentas in desired areas

## BACKGROUND COLOR POPS

**Harry + Sally {Golden Leaves}** - paint-on to add a golden-yellow tone to green backgrounds

**Edward + Vivian {Autumn Turning}** - paint-on to add an orange tone to green backgrounds

**Danny + Sandy {Copper Tone}** - paint-on to add a muted-copper tone to green backgrounds

**Forrest + Jenny {True Green}** - paint-on to shift greens to a cooler blue-green tone

**Jack + Rose {Blue Hour}** - paint-on to deepen background with very dark grayish blue tone

**Thomas J + Vada {Vibrant Sunspots}** - paint-on lift & add vibrance to greens

## SPECIAL EFFECTS

**Why Is The Carpet All Wet Todd {Mild HDR}** - punches highlights & increases dynamic range

**I Don't Know Margo {Everywhere Smoother}** - gently softens details for the perfect photo finish

**First Rule Of Fight Club {Everywhere Blend}** - gently blends tones for a more refined finish

**I Believe You Have My Stapler {Dainty Punch}** - shifts tone curve right for a slight bright punch

**You'll Shoot Your Eye Out Kid {Sucker Punch}** - deepens background & pops subject

**Say Hello To My Little Friend {Knockout Punch}** - deepens background even more & pops subject

# Cult Classics Actions

## DODGING & BURNING

**Intensify The Highlights** - use to dodge the highlights on the subject for added dimension

**Deepen The Shadows** - use to burn the shadows on the subject for added dimension

## BLACK & WHITE CONVERSIONS

**Here's Lookin' At You Kid {Clean}** - a timeless, clean black & white

**We're Not In Kansas Anymore {Rich}** - a rich, contrasted black & white that pops your subject

**Every Time A Bell Rings {Matte}** - a deep, matte black & white

## RESIZE, SHARPEN & LOGO

**Web Exact Dimension Resize and Sharpen** - play then select desired width or height

**Sharpen for Print** - high pass sharpens in preparation for print

**Watermark/Logo Placement** - allows you to grab your logo & place it anywhere on the photo
